About Us / Our Story / Our Beginning

Our Company has been established in 2010 in Amman –Jordan with the great effort by the General Manager Ahmad Abu Shaikha, aiming to give his new thoughts and ideas the chance to be real in Caring, Nursing and physiotherapy line.

We work with two lines *Nursing and Caring Services* and *Medical Products and Supplies Trading*.

Our company aims to provide the best quality service for our patients, and the best quality products and medical Supplies.

Ten years ago we had a vision and now we are living this vision and dream.
